

## Second announcement

Dear Colleagues!

We invite you to take part in the International Conference

**«Inverse and Ill-Posed Problems of Mathematical Physics»,**

dedicated to the 80<sup>th</sup> anniversary of the birthday of Academician M.M. Lavrent'ev

**For this purpose it is necessary to be registered on a conference site**

<http://conf.nsc.ru/lavr80/en/>

Conference will take place in Novosibirsk Academgorodok , August, 5 - 12, 2012

- The working days of the conference will be August 6 - 11.
- The day of arrival is August, 5 (Sunday).
- The day of departures August, 12 (Sunday).

All participants are planned to live in Academgorodok hotels.

### **Scientific directions:**

- Theory of inverse problems
- Theory of ill-posed problems
- Numerical methods of solving inverse and ill-posed problems
- Direct and inverse problems of Geophysics
- Numerical methods in Mechanics
- Nonclassical problems of Mathematical Physics

**Official languages:** English and Russian

### **The important dates:**

- May, 5, 2012 - the end of registration.
- May, 5, 2012 – the end of reception of Abstracts (1 page).
- June, 5, 2012 - the notification of authors on acceptance of their talks.

**Abstracts will be printed to the conference beginning.**

The size of a registration fee — 300\$.

The registration fee is brought at registration.

**Organising Committee**
